

**CSIR-National Institute of Science Communication
and Information Resources (CSIR-NISCAIR)
New Delhi**

Offers

**Ph.D. Science & Technology Communication
&
M.Sc. Science & Technology Communication**

CSIR-NISCAIR, a constituent national laboratory of the Council of Scientific & Industrial Research (CSIR), (Ministry of Science & Technology, Govt. of India), came into being in 1951, is the premier institution of Science & Technology Communication in the world. A remarkable growth in scientific research and development has been seen globally over the period necessitating the need of its public communication, outreach and awareness to bridge the science-society gap and suitably educate the policymakers as well enabling them to take informed decisions and choices. With a view to promote leading edge research and academics and develop high standard trained manpower in the emerging interdisciplinary area of Science & Technology Communication, CSIR-NISCAIR introduces for the first time Doctoral and Postgraduate Programmes leading to Ph.D. and M.Sc. Degrees in Science & Technology Communication to fulfill the long felt need, under the Faculty of Mathematical & Information Sciences, Academy of Scientific & Innovative Research (AcSIR), established by the Act of Parliament, "the Academy of Scientific & Innovative Research Act, 2011".
